ter No.C.S.39/44-45 dated 8-7-1944 from the Deputy Commissioner, Kolar District, to the Director of Food Supplies in Mysore, Bangalore.

Regarding furniture and equipment of the Food Section of the Office.

I have the honour to bring to your kind notice that such of the pieces of furniture, as could be conveniently spared had been made available to the Food Section by the Revenue Section and even this was rather scanty in as much as two clerks were making use of one and the same table. Now that the strength of the Section has since been augmented, as per the Basic scale sanctioned in G.O.No.SD.7609-21/A.168-43-8 dated 10-5-1944 it has been found not possible to provide this section with the required furniture. Besides the Revenue Section needs the return of the furniture now in use in the Food Section, as they are urgently required for being provided to the Civil Officer and the Additional Personal Assistant.

In these circumstances it is found necessary to purchase furnitur at an approximate cost of Rs.750/- as per the statement enclosed and I request you to kindly obtain necessary sanction for the same at a very early date, making needful provision under the head "Furniture and Equipment" 32 B War Expenditure - Department of Food Supplies - ii Executive Establishment.

In view of urgency permission may kindly be accorded to purchase these locally after calling for quotations, without reference to Stores Purchase Committee.
